

OAKWOOD NEWS

October 2025

INTRODUCTION

Welcome to our very first edition of Oakwood News. This newsletter is written by Oakwood students and we are excited to share this month's news with you. We are looking forward to this upcoming Halloween and hope that you can join us for our spooky disco.

Student Committees

This year, we have 4 Student Committees and we have been finding out what they have been up to during their first few weeks!

Sustainability: We now have recycling bins in the classrooms. Every Monday, the committee collects the bins and they are collected for recycling.

Teaching and Learning: We made cards for the teachers for Global Teachers' Day and presented them in assembly. We are also thinking about the end of term rewards for the winning house.

Events: We have been planning Halloween and helping the Inclusion committee with the planning for International Day of Oakwood.

Inclusion and Diversity: We have planned our first international day of Oakwood (Thursday 23rd October). It was a huge success and we look forward to next year!

Enrichment

Secondary have planned the Golden Time activities for us this term and have been leading them each Friday. Here is what they have been up to:

Sports: There are two different age groups and they have been playing different sports including cricket and football.

Arts and Crafts: Each week they are learning different art techniques including marble painting and finger painting.

Eco games: This group has been finding ways to make picking up rubbish fun and using recycled items to make crafts.

Oakwood News: The Editors of this newsletter are Oakwood News and we have been busy writing our first newsletter. We hope that you enjoy it!

At the start of November, we will find out what our next options will be!
